## Auction Rules, Bidding In Absentia, Catalog Organization, New Items

- **Auction Rules** are on the next page.
- **Items are organized in this catalog by retail price. The Guaranteed Purchase price for any silent auction item is 150% of retail** (important for those who are bidding in absentia).
- **We now have most of the items categorized as Silent or Live. The auctioneer makes the final determination.** Determination of whether the item will be silent (starting bid at 20% retail) or live (starting bid approx 33% retail) will be made by auctioneer later in November. *Some price adjustments have been made.*
- **Our goal is to raise as much money as possible to offset Kathy's medical and living expenses.** If you are not attending the auction, and wish to make a donation, please contact me via email. Note that we are not a 501(c)3 charitable organization, so no tax deduction is available to you as a bidder or by making a donation.
- An email will be sent post-auction letting everyone know much has been raised with this wonderful effort!
- **New items or anticipated items** will be listed with Item # and as much information as possible with each iteration of the catalog. Check the website often for updates:

## Auction Rules

1. Upon entry, **each guest will be given a packet which includes his/her bid card.** To bid in the silent auction, simply write your bid number on the silent auction bid form. To bid in the live auction, hold up high your bid card with the number toward the auctioneer. By bidding in the live or silent auctions – including bidding in absentia via email prior to the auction date – each bidder agrees to these auction rules. **Bids in absentia are sent to [kjoman@writeme.com](mailto:kjoman@writeme.com) no later than November 26, 2007. See Bid In Absentia Information on previous page.**
2. **A bid acknowledged by the live auctioneer is a legal contract to purchase the item. In the silent auction, designation of the bid you have written by the silent auction official as the top bid is legal contract to purchase that silent auction item. Bidding-in-absentia offers via email to [kjoman@writeme.com](mailto:kjoman@writeme.com) is a legal contract to purchase the item.**
3. **Top bidders may pay for their items at the auction cashiering stations which opens for regular service at the conclusion of the live auction.** It is not necessary to pay for each item after its purchase, and we encourage you to pay for all of your purchases at one time at the end of the live auction. Payment in full, however, is mandatory at the auction. Top bidders who are bid-in-absentia bidders must provide a valid credit card number at the time their bid is submitted in order for payment to be processed the night of the auction.
4. **Auction items will be awarded to one purchaser only.** The top bid amount for an auction item will not be split among bidders who may have agreed to pay a portion of the top bid amount. A purchaser who wishes to split the payment for an auction item must collect the individual payments from the other bidder(s). Then either present those payments to the cashiers at the time the purchaser pays for the top bidder's purchases or accept those payments as a partial reimbursement for the total payment the purchaser has made.
5. **All purchases are final.** There will be no exchanges or refunds on items unless otherwise noted.
6. **We do not have scrip for auction items; only for additional beverage purchases night of auction.**
7. **Bidders who elect at registration to put their credit card on file for Express Payment (or have already done so as payment for the dinner portion of the evening) do not have to stand in line to pay for their purchases.** Instead, Express Pay guests payments will be processed and the paid receipts for their auction purchases delivered to them at the conclusion of the auction.
8. **The Auctioneer reserves the right to reject any bid** which is a minimal fractional advance over the prior bid.
9. **We will gladly accept your payment by currency, personal check, Visa or MasterCard. Please make your check payable to Karla Oman.** Note that we are not a 501(c)3 charitable organization, so no tax deduction is available to you at this auction.
10. **Unless otherwise noted, all goods and services must be claimed and used within one year of the auction date.** Some of the gift certificates, and the African Safari have different terms and expiration dates – read the fine print!
11. **The Auctioneer reserves the right to add or withdraw, without notice, items to or from the auction.**
12. **The purchaser assumed the responsibility to locate and remove purchases from the auction premises.** Purchasers may claim from the Certificate Table the certificate(s) for services and tangible items not displayed. Just show your "paid" receipt and you will receive the certificate.
13. **Reservations for trips and vacation accommodations must be mutually arranged with the donor unless otherwise noted.** Tickets in travel packages are for coach class unless otherwise noted. No refunds will be allowed on travel packages for cancelled tickets and/or accommodations (suggestion: purchase travel insurance from a reputable source post-auction).
14. **Travel will be provided by donors as described** even if the prices increase above those stated. Because travel charges change, travel costs may decrease the value stated, but no refunds will be allowed.
15. **All items not removed from the auction premises auction evening must be claimed by 12/31/2007.** Items not claimed by this date will be stored at purchaser's risk and expense.

Wine should be very pure and natural. The only thing synthetic about our wine is the plastic cork, so you never have to worry about getting a "corked" wine. We drink more of our wine than anyone else, we want it to be healthful and nutritious. We guarantee our wine.

BUT . . . it has to be distinctive wine. Wine with full, rich flavor. Wine that makes food and friends better. Wine that brings dismay when you find the bottom. Wine that makes music in the glass, and sings on the tongue to tell where it grew.

Wine you can afford to drink. Wine made by Paradisos del Sol.

We are a small family-owned winery, using grapes primarily from our Vineyard del Sol near Sunnyside, Washington. We also use grapes from other small family vineyards in the Yakima Valley.

**Item #B15, Handwoven Laotian Silk  
Brocade Shawl, measures 16 ¾" x 82 ½"**

**Live Auction Item: \$225.00 Retail Value**

*Contributed by Kathy*

This is a beautiful silk brocade shawl that Kathy purchased on a trip to the Luang Prabang, Laos. This piece is pure silk and was hand woven by the Hill tribes of Northern Laos. It can be used as a scarf, table runner or wall hanging. This piece is brand new and in pristine condition. Great for any collector of fine silks.

USAGE - While Lao women still wear traditional woven skirts every day, skirts and shawls with intricate work and silk thread are reserved for special occasions such as festivals and religious ceremonies. Shawls are folded two or three times to hide the loose ends of the supplementary threads and then draped over

the neck with both sides hanging far down in front. Westerners generally use these textiles as wall hangings or runners, but they also make a stunning impact when worn with a solid color outfit.

**Live Auction Item: \$500.00 Retail Value**

*Contributed by David Rosenbaum, friend and  
Choir of Light member, [banjobees@yahoo.com](mailto:banjobees@yahoo.com)*

David wanted more "guy things" in the auction and boy, howdy, this is it! I think I'm reverting back to my tomboy days... I used to have a bike like this when I was young (without the beer motif, of course ;-).

Brand new, black limited edition New Belgium Fat Tire cruiser. This is #230 of the 400 made in 2007. Not available for purchase anywhere. The New Belgium brewery only gives these away at events or to their staff as a special recognition reward for working there.

A real beauty--one speed, coaster brake, plush suspension seat, gorgeous black paint, premium wide tires, fenders, front and rear package carriers, bell and headlight. What makes this truly special are the New Belgium badges and slogans painted on the bike. If you love Fat Tire ale, you'll recognize this cruiser as the icon of the beer. It's also a great collector's item. New Belgium selected Felt to make the bike this year. Most Felt cruisers retail around \$500.
